RAQUEL & DANNY

I've always been open minded about sex. Apparently my husband wasn't. I love having sex and rarely have I done it on the camera. When I want to, I can get really wild and kinky. Some of the best sex I've ever had has been with a guy I hardly knew, like this one! We were really sexual, and we both came - twice!

Mary and Me

I would like to share with your readers my first real sexual experience. Like most every guy, I had begun to jerk off when I was a teenager and would do it a lot. I was into normal things that guys my age do, like looking at porn.

I was away at college, and came home for Spring Break. My mom had a friend, Mary. She was 42 years old, pleasantly plump, with big boobs. They asked me to accompany them into the city for some shopping.

It happened that when we were coming home we got on the subway at rush hour. The train was jammed and I was pushed up against the door. Mary was facing me and my mom was on my side.

The train stalled. Mom and Mary were talking. I was just daydreaming when suddenly I felt something brushing my cock. At first I thought it was an accident but then I felt it again. And then I knew it was a hand as it actually squeezed my cock. I got a hard-on.

I was blushing when I looked up and Mary said, "It's hot in here" and smiled at me as she continued to talk to Mom. The hand now was really rubbing my cock and squeezing it. It was actually feeling my whole cock and rubbing it up and down. My knees were shaking and Mary pushed closer to me. I felt her tits.

Then it happened: I shot my load. Mary just kept holding my cock and squeezing it. I hid the wet spot all the way home. When I got home I went upstairs and jerked off. Thinking about it, I couldn't believe that my mom's

friend had jerked me off.

At dinner Mary acted like nothing had happened. Later that night, in the den watching TV, Mom went upstairs to bed. Mary had gone upstairs too, so I was alone. I began to rub my cock. Then all of a sudden Mary came back downstairs and said, "I'm not tired."

I didn't say anything. Then she said, "Jimmy, come here."

I went and sat by her. She kissed me and asked if I liked her. I told her I did. She asked almost shyly, "Did you like what I did to you today?" She could tell I did so she went on and said, "Don't be bashful. It's just between us." I just nodded numbly.

She said, "Would you like me to do it again?"

I nodded and she touched my cock, then opened my pants and took it out. I was hard. She began to jerk it up and down, kissing me. She said, "Jimmy, I don't want you to waste your cum" and bent down and put it in her mouth. She was able to put the whole package in her mouth and she sucked it up and down.

I knew I was going to pop in a minute. I told her and she just said, "Come in my mouth."

I shot some load in her mouth. She swallowed it all, and then she got up and kissed

40+: I'm meeting Ms. Avluv at a new healthy eats store in West Hollywood. Can't wait!

Veronica: Hi... thanks for meeting me here. It's become my new favorite hangout. If you're hungry, may I suggest the turkey-avocado roll. It's delish!

40+: Okay, think I will. And you?

Veronica: Today? I think I'm gonna try the cranberry and quinoa salad.

me and said, "You like being sucked."

I said, "Yes."

She said, "Now, Jimmy, if you listen to me we can have a lot of fun." She opened her shirt and told me to play with and suck her big tits. As I sucked them, she opened her legs and played with her cunt. Then she had me lick her fingers and asked if I liked the taste. I did.

She opened wide and showed me her big hairy pussy. It smelled real good. She pushed my head down and made me kiss her hair and lips. Then she spread her lips and showed me where to lick and kiss. And then she pushed my head in her wet pussy and made me tongue her hole. She was so wet and it kept coming out. She began to shake and told me to start lapping her all up. I sucked her for a while and then she sucked me again until I came.

Later on we kept doing it every chance we got. I went out with other girls but none of them could ever compare with hot Mary. She was so hot and horny and loved sex, and to come and have me come. She loved for me to shoot on her tits, face and mouth. And she loved for me to shoot in her ass.

I had all the sex I needed from her. When I got married some years later, unfortunately the fun and games came to an end. I never told my mom about her friend Mary. And I hope Mary never did too.

— J.B., Bronx, N.Y.

Hairy Bear

I read with great interest a letter from a woman in Maine who was turned on by hairy guys. Well, I'm glad to know women like this. That woman should move to the Texas Coast because I am one hairy son of a bitch that is very proud of his chest, stomach, navel, leg, and facial hair.

What makes me unique, however, is the age at which I grew this. I had pubic hair at

young age, under my arms a bit later on, and a beard shortly thereafter. I had navel and lower stomach hair before my 13th birthday, and chest hair before my 14th birthday.

I greatly enjoy the respect I get. I do not have a hairy back but I'd love to have that too. I have never seen an article or survey on chest hair but the macho feeling I get is great.

— Name Withheld, Corpus Christi, TX

Total Stranger

Last night, I jerked off a total stranger. It was the wildest experience of my life.

I was driving back from a stay with my mother. I was horny as hell. My hand was between my legs, fingering my excited pussy, well on the way to a big "O" when my car sputtered and quit running. I coasted onto the safety lane and got out and raised the hood-as if I'd know what the trouble was if I saw it.

Luckily, a car stopped less than five minutes later. I couldn't believe my eyes when a blond Adonis, in a pair of skin tight running shorts, got out of the tiny red sports car and approached me. "Can I help?" he asked, in a deep sexy voice that quickly reminded me that my pussy was still wet and unsatisfied. The trunks that he wore outlined his cock perfectly.

40+: (Our food comes and she's immediately flirting with the male server). Ahem, this looks great.

Veronica: So did he? (chuckles)

40+: So you're a Texas girl now living in Los Angeles? Do you like it?

Veronica: I do miss Texas, but I couldn't do there what I do here, so I like it here, too.

40+: You haven't been in the business for very long, about 10 years or so? Do you like it?

Veronica: Yeah, I love it. Where can a constantly horny girl get fucked as much as she wants with no hesitation or commitment? The constant sex is what I live for!

Even soft, it was a good six inches.

First he leaned over and looked in the engine compartment. I stood behind him and admired his tight round ass. It was all I could do to keep from giving it a little feel. So help me, I wanted to slip a hand under my skirt and finger my pussy while I watched his sweet ass, but not even I was that brazen.

Next he asked me to get in the car and try to start it. He fooled with some wires while I turned the key. Nothing happened. Then, he walked around to my open door and squatted as he leaned his head into the car to look under the dash. I guess I could have moved and given him some room to work, but I was too busy admiring his beautiful hairy chest.

He squirmed around and managed to wind up flat on his back on the floor at my feet with his head under the dash. The bulge in the front of his trunks was next to my foot. I don't know where I got the courage, but I slipped off my shoe and placed my bare foot directly on his soft cock.

It didn't stay soft for long. As I wiggled my toes against the hot flesh, I felt it growing. A soft grunt escaped from his lips as he continued to fumble around under the dash. As I gently stroked his cock with my toes, it grew so big that finally the head slipped above the waistband. The sight of the purple cock head pulsating as the velvet flesh burned my wiggling toes sent a bolt of lightning straight to my cunt.

"I'm gonna make you come," I gasped as I reached down and touched his cock with my trembling hand. With my hand on his dick and his head under the dash he was my prisoner. He couldn't have escaped even if he'd wanted to. And from the grunts and groans echoing from under the dash he had no desire to get away.

I pushed the material of his trunks out of the way and wrapped my fingers arc, and the thick shaft of his throbbing cock. With my other

hand busied itself between my own legs, fingering my quivering slit, I proceeded to pump his excited prick.

I only had one objective: I wanted to come with him. The timing was critical. I matched every stroke of his cock with the finger in my box. Just before he shot his load of white-hot cream all over my hand, he growled and banged his head against the dash. Ripples ran up my spine as the first wave of pleasure hit me. My pussy quivered each time his cock contracted and spurted.

I caressed his cock until it was back to normal size. Then I gently tucked it back into his swimsuit and gave it a loving pat. He squirmed around and managed to get out from under the dash. He stood and brushed off his hands.

His face was still flushed and he wouldn't look directly at me. I think he was afraid that he might blush. "Try it now," he said, almost choking on the words. I turned the key and the engine roared to life. To be honest, I was a little disappointed. It meant that my hero had done his good deed and would ride off into the orange sunset.

I gave him my phone number. He said that he would call me. I'd like to see him, but I'm afraid that nothing we could do would top the thrill of the spontaneous roadside sex.

— A .G., Boston, Mass.

40+: *We can see it in your scenes.*

Veronica: Both men and women turn me on. I love oral sex and I think my cock-sucking ranks right up there. And I love trying new things, perhaps a little bit more out of the ordinary. Believe it or not, I try most new things in my private life before doing anything like it on camera. I love giving it my all!

40+: *Yes, we do believe you!*

& ED

Hello America. I'm from Brazil, and my husband Paolo, and I took some photos like these and submitted them to different magazines. When 40+ asked us to do a shoot, he and I had already separated, but I was still interested. So I asked my ex-boyfriend Ed to do a shoot with me and he said he'd have to think about it. I said he could fuck my ass, and suddenly he was in it!

Come to Carla

When some girls get hot, they want to come. When Carla gets hot, she wants to suck dick.

Carla was getting undressed in the bedroom window again. All her lights were on, which made it seem she slowly unbuttoned her way down the front of her blouse. Tugging the silky material from her body, she tossed it on the bed.

Carla is a small-breasted girl who finds little need for a bra, so once her blouse was gone there was nothing to cover her hardening little nipples. They were poking out from tits that would just nicely fill a champagne glass.

She ran her fingers through her long black hair, shaking it back, and then reach down to undo her khaki pants and peel them down her lean thighs. She has a year-round bronze skin tone that seemed even darker set against the beige panties that hugged her ass. Her flesh always looks as warm as it feels.

With her red-polished fingernails leading the way, she slipped a hand into her panties, pushing them down in front to show off her sliver-trimmed bush. She called it her “Mohawk Pussy” ever since the night she shaved it that way. It wasn’t until she pumped her hand up and down against her mound a few times that she held her face close to the window, shielding away the reflection, to look across the parking lot to see if I was watching her.

As was my summertime habit, I was on the balcony, feet propped up, debating on whether to pop another beer as I sat in the midnight darkness listening to the crickets and hoping something would happen like what was happening right now.

Carla saw me in the dim light cast by the overhead and waved. Then she pushed three fingers together and sucked them into her mouth, turning full profile to give me the complete effect. That was the thing I liked most about Carla: when some girls got hot, they wanted to come; when Carla got hot, she wanted to suck dick. A very unselfish girl.

With a growing prick jumping inside my shorts, I hopped over my balcony, down to the ground a mere twelve feet below and jogged across the lawn, going around to the front of Carla’s building. I went up the stairs two at a time, burst through the door, and found Carla’s roommate, Jeanna, posed rather seductively on the sofa. Jeanna’s blouse did a wonderfully lousy job of covering her tits and her whisper of a skirt was so high up on her hips that half her ass poked out.

“You guys do this to me all the time,” I said, pointing a finger at her. “Playing one against the other. Seeing which one of you I’ll go for. You

Her ass thrashed on the sofa while her legs wrapped a vice-grip around my neck. My whole face was buried in her pussy, sucking, licking, feeling the sweet rush of her juices running over the sides of my mouth and chin.

guys are just too damned competitive.”

“What you have here, cockster, is your basic toll road.” She pointed to Carla’s bedroom door, which was closed. “To get through that door, to an awaiting blow job, you have to pay the toll.”

Leaning back against the sofa, Jeanna opened her legs, hoisting up her mini skirt to expose her dark-haired pussy. She pressed through her curling hairs, opening herself up until a wide spread of glossy pink appeared. When she rubbed one finger over her clit, I could hear the wetness between her legs. She sighed, getting turned on. “Know what the toll is, Jake?”

I knelt on the rug in front of her, edging forward, resting my hands on her thighs and lowering my face in between her legs. “I got a pretty good idea,” I said as my face got smothered by her bush. Jeanna was overflowing and sweet-tasting. Her juices came onto my tongue with a rushing thickness. When my tongue hit a certain spot just into her channel, it almost seemed like she was squirting me with her arousal.

“Suck on it, Jake. Pull on my lips with your mouth. Draw it into you. You know how.” Jeanna was crying loudly, raking her fingers through my hair, sometimes digging in with her short nails. Slipping my hands beneath her ass, I pressed my mouth more tightly against her cunt. Opening as wide as I could, I jammed my lips over her pussy and sucked her pink flesh into my mouth, keeping my tongue dancing inside her channel, flicking against her clit.

Jeanna slapped the back of my head as I tongue-pumped her. “That’s it. Mouth me, Jake. Do it to me. Do me! Do Me!” Her ass thrashed on the sofa while her legs wrapped a vice-grip around my neck. My whole face was buried in her cunt, sucking, licking, feeling the sweet rush of her juices running over the sides of my mouth and chin. Her intense scream always made me feel like I’d accomplished so much with my mouth going at her pussy.

“Christ, Jake,” Jeanna sighed. “That was so good I almost hate to tell you.”

My cock was throbbing, hot from sucking Jeanna, wanting to get sucked by Carla. Jeanna said, “Going down on me wasn’t the toll. You’re supposed to strip.” She smiled, bleary-eyed and

spent. “I didn’t have the willpower to stop you.

Now come on, out of your clothes. I see that cock sticking up in those shorts.”

As I yanked down my gym shorts, my cock sprang free, hard, long, and ready to come. Jeanna said, “Nice cock. Tight balls. I’ll have to raise the toll price to a fuck next time.”

My shaft bounced from my abdomen as I went down the hall to Carla’s bedroom. Going inside, the lights were out now, the shades drawn. I could barely make out Carla’s image, lying in bed, propped up so that her head was about two feet up from the mattress, the perfect position to suck the cock of someone kneeling over her.

“Carla. God, I’m so horny babe. Can’t wait to feel your mouth around my dick.” I mounted the bed, crawling between her spread legs, and then kneeling with my legs bent outside of her ribcage. My hand glanced over her pussy. “Want me to do you?” I asked, slipping a finger up and down her slit.

Centering my hips in front of her face, I waited until her hands grabbed my ass to thrust into her mouth. And when my cockhead split through her lips, I felt hot saliva oozing over her tongue. Her mouth was bursting with her oral juices, thick and slippery, just waiting to rush all over my shaft.

Putting my prick all the way in, I could feel hot saliva dripping down her chin. What didn’t

without filling her mouth with my exploding cum. And her brown eyes kept watching me, enjoying the tortured gritting of my teeth. Then, slowly, her eyes closed, and I knew this was it. Carla sucked me with that quick squeeze of her lips, stopped just briefly, and then squeezed again. And squeezed more, and more. Five suckings and my shaft spasmed wildly in her mouth.

Breathing raspily through her nose, she swallowed and

swallowed, never breaking her sucking motion until my cock was spent, slackening between her lips. Carla came back from the bathroom, her mouth freshly washed from my semen. Still naked, smiling now, she kissed my lips. "I taste Jeanna's pussy," she said, lying down beside me.

"How do you know what Jeanna's pussy tastes like," I asked, spent but slowly regaining logical consciousness.

She rubbed close to my face, licking my lips. "Because I've eaten Jeanna before. What do you think we'd do for entertainment before you started coming over?"

"Sorry I didn't get to know you two sooner. You are real special ladies."

"Uh-huh. That sounds too serious. You remember the bargain. It stays strictly casual or it ends."

So I didn't tell her she was special anymore. So rare, an unpossessive girl who enjoyed casual sex and liked to keep it that way. And if Carla was a rarity, living in the same apartment with Jeanna, who felt the same way, made it even more improbable—and hotter.

Some guys have all the luck. And I'd originally thought that getting divorced, losing my job, and moving into this apartment building was going to be a real step down.

Just goes to show you... What it shows, I'm not exactly sure. But as my hand crept down between Carla's legs, she started making sounds like she wanted to come. And I quickly got down to business.

fall down onto her throat, she caught in her fingers and rubbed over my balls until my whole scrotum was slick with her liquid. She sucked up and down on me, and then eased her mouth away, pressing my erection against her face while she tongued her way onto my balls. One finger went into my anus just far enough to make my balls squeeze into a taut knot in reflex. Then she got her mouth wide open and took my whole sac into her mouth.

The heat of her tongue and the way it licked over my balls made my scrotum loosen, expanding in her mouth until it was too much for her to keep between her cheeks. Using the flat of her tongue, she pushed my balls out of her mouth, forcing them together as they passed through the rounded shape of her lips. The pressure it sent through me was incredibly perfect, the right combination of pain and pleasure.

My cock was throbbing in her hand, still pressed against her fate. "Oh, Carla. As soon as it's on your tongue it's gonna explode, babe." Gently, she placed just my cockhead through her lips. My arms were outstretched, bracing my weight against the wall behind the bed. I looked down at her face, sucking on my cock, and her eyes smiled teasingly and she squeezed her lips once, pumping my cock. That short burst of wet pressure made me scream, taking me to the very edge of coming, without making me come. I could feel my semen throbbing all through my shaft, needing one more touch to jism out, but Carla just held me in her mouth, perfectly still.

So she sucked quickly again and again I screamed. And again. And again. Each time thinking I couldn't possibly be teased any more

Carla sucked me with that quick squeeze of her lips, stopped just briefly, and then squeezed again. And squeezed more, and more. Five suckings and my shaft spasmed wildly in her mouth.
